

Empowering Windsor-Essex through
Technology and Community Engagement
Since 2012

Annual Sponsorship Opportunities

About Us

Hackforge is a community-driven organization dedicated to **fostering technology education, collaboration, and innovation in the Windsor-Essex region**. Our mission is to create an inclusive environment where individuals can explore technology, develop skills, and connect with like-minded enthusiasts.

Through workshops, lectures, and collaborative projects, **we aim to empower our community and drive technological advancement.**

Sponsorship Opportunities

We invite organizations to partner with us in supporting our initiatives. **By sponsoring Hackforge, you contribute to the growth of the local tech community** and gain visibility among a diverse audience of businesses, professionals, students, and technology enthusiasts.

Each year, we offer an average of **50 public events** on an ever-shifting range of topics, including:

- **Artificial Intelligence and Large Language Models**
- **Cybersecurity**
- **Data Analysis and Visualization**

Sponsorship Tiers

All sponsorships must align with Hackforge's mission of **fostering technology education, collaboration, and innovation.**

All sponsorships are valid for a one-year period from the date of agreement.

Supporter **\$1,000**

You help keep technology education open and accessible. Every contribution supports Hackforge's community programs, workshops, and events: the foundation of our local tech ecosystem.

Includes:

- 1x **Supporter** tier thank-you social media post during the year
- **Supporter** tier logo placement on Hackforge's sponsorship webpage for the year

Connector **\$2,500**

You strengthen the network. Your support links people, ideas, and opportunities, helping Hackforge expand collaboration across Windsor-Essex's tech and creative communities.

Includes:

- 2x **Connector** tier thank-you social media posts during the year
- **Connector** tier logo placement on Hackforge's sponsorship webpage for the year
- Presenting sponsor for **1 event per year**: logo, company/organization description, and link on event page/post(s). Logo and recognition on event recording (if applicable). Speaking opportunity and banner placement (in-person events) at the event

Builder

\$5,000

You help turn open ideas into working systems. Your contribution powers Hackforge projects that promote digital literacy, open data, and community innovation.

Includes:

- 4x **Builder** tier thank-you social media posts during the year
- **Builder** tier logo placement on Hackforge's sponsorship webpage for the year
- Presenting sponsor for **2 events per year**: logo, company/organization description, and link on event page/post(s). Logo and recognition on event recording(s) (if applicable). Speaking opportunity and banner placement (in-person events) at the event.

Maintainer

\$10,000

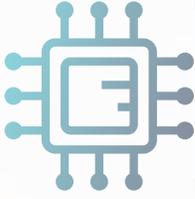

EXCLUSIVE
only **TWO** available per year

You sustain the tools, infrastructure, and people that make open tech possible. Your partnership helps Hackforge grow its impact and nurture the next generation of builders.

Includes:

- 8x **Maintainer** tier thank-you social media posts during the year
- **Maintainer** tier logo placement on Hackforge's sponsorship webpage for the year
- Presenting sponsor for **4 events per year**: logo, company/organization description, and link on event page/post(s). Logo and recognition on event recording(s) (if applicable). Speaking opportunity and banner placement (in-person events) at the event.
- **Maintainer** tier logo placement on Hackforge's e-Newsletter

Tech Ally

In-Kind Support

You contribute equipment, expertise, or services that keep Hackforce running strong. Your support helps us focus resources where they matter most — community learning and innovation.

In addition to financial contributions, we welcome **in-kind support** in the following areas:

Technology: Donation of hardware, software, or technical expertise.

Event Marketing: Assistance with promoting events through various channels.

Poster Printing: Provision of printing services for event materials.

Other Services: Catering, venue space, or other relevant services.

Thank You

For considering a partnership with Hackforge.

Together, we can cultivate a stronger, more innovative, and tech-empowered community.

Join Us in Making a Difference

By sponsoring Hackforge, you play a vital role in **advancing technology education and innovation in Windsor-Essex**. Your support enables us to continue offering valuable programs and fostering a vibrant tech community.
